

Virtual Post-Crisis Support Groups

In response to the horrific events that took place in Highland Park on July 4th, Compass Health Center is offering clinician-led, virtual post-crisis support starting Wednesday, July 6th, 2022.

These events will focus on how to respond to strong emotions that follow a crisis. Please see below for the list of upcoming virtual groups, and the links to register.

Presentations are meant to be educational and supportive in nature and are not intended to be a substitute for treatment or crisis care. Please note that steps have been taken to ensure privacy of attendees. Only clinicians will be visible and comments will not be posted publicly.

Schedule

JULY 6TH & JULY 7TH
